

Induct Air Purifier

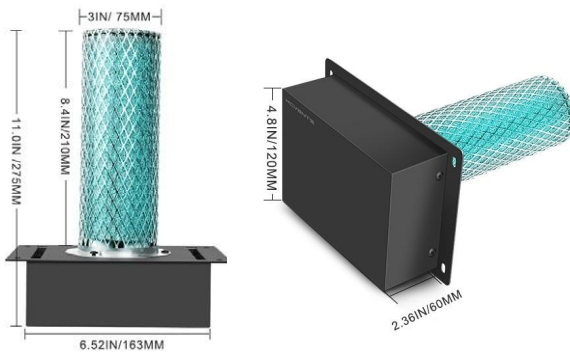

Features

- Dual ionizers to reduce airborne particulates (dust, dander, pollen, mold spores).
- Kills up to 99% of bacteria, mold and viruses.
- GX-1 reduces sneeze germs by 99% in the time a sneeze can reach three feet.
- Unlike portable units that are limited to the room in which they are placed, the GX-1 provides whole home and building purification.
- Easily integrated with your existing HVAC system. The unit doesn't take away living space and operates silently.
- Two (2) quick release features for easy, no tool, cell replacement.

GX-1 Designed to eliminate sick building syndrome risks by reducing odors and air pollutants, the GX-1 whole home in-duct air purifier is the best solution for whole house and building air purification.
